The Sweet-Veiced, Supple, and Graceful Girls of the Sunny South.

southern girl of to-day owes her chief characteristics to forces set in motion two hundred years ago. The delicate hands owe their dimples and baby-like softness to generations of immunity sont everywhere by the press, and are from any personal labor. The tiny feet have small knowledge of the uses of the day after the assassination of the Red Cross to the organization in this city of an American association of the Red Cross. To the public generations of immunity sent everywhere by the press, and are making a deep and strong impression upon the public mind.

Sociated Press to the organization in this city of an American association of the Red Cross shall convene it is the intention of the American Association of the Red Cross to bring before it the intention of the Red Cross to bring before it the treaty of Geneva, with a view to securing the participation of the United States in the benefits and obligations of that instrument.

ures, the most of them, with a curious self-possession and yet a certain timidity and shrinking which gives an intention of the multitude. Then in a clear and bold utterance he said:

"Clouds and darkness are round about Him. Righteousness and judgment are stamped upon the northern, and especially the New England girl, ineffaceably. To reason with a southern girl is no loud burst of applause greeted and honeless and h a useless and hopeless undertaking.
The emotional nature, strong in any case, is cultivated to the highest pitch.
They are full of sweet and generous
The full of sweet and generous
They are full of sweet and generous
They are full of sweet and ge impulses; affectionate and demonstrasions in restraint. Wiser and better zerland with the colors reversed, was pense the profuse liberality of the tive to excess; passionate and enjoying councils were immediately passed their own capacities for sterm, and the from one to another, and the work of the treaty societies out of compliment terial, requires the wisdom that comes calm that follows storm. Clinging, dedestruction upon which they were to the republic where the first conven-pendent, conservative in thought, so about entering was thought of no more. far as they may be said to think—lov- That man was James A. Garfield, at tional Red Cross committee had its ganization the American association of ing old ways simply because they are that time one of the youngest mem- headquarters. old, and with a wild and passionate bers of congress. And now the same loyal'y to every southern belief and man, smitten down by the assassin's ties is, primarily, to lessen the horrors practice, simply because it is southern, bullet, is, through the agency of the and miseries of war, by caring for and you may know what type of women press, repeating the same admonition supplying the wants of sick and woundthese girls become, and how slow must everywhere: "God reigns and the goved soldiers. Each of these societies be the process which undoes the work ernment lives,"

These gentle, emotional women have few or no interests beyond their own or their neighbors' houses. What the Daniel Webster, before leaving Washworld is doing means to them nothing and less than nothing. Their religion is that of their fathers and their fathers and their fathers. Their mental food is in ers' fathers. Their mental food is in the fathers are fathers, and the fathers are fathers are fathers and their fathers. Their mental food is in the fathers are fathers. Their mental food is in the fathers are fathers. Their mental food is in the fathers are fathers. Their mental food is in the fathers are fathers. Their mental food is in the fathers are fathers. Their mental food is in the fathers are fathers. Their mental food is in the fathers are fathers. Their mental food is in the fathers are fathers. Their mental food is in the fathers are fathers. Their mental food is in the fathers are fathers. Their mental food is in the fathers are fathers are fathers are fathers. Their mental food is in the fathers are fathers are fathers. Their mental food is in the fathers are fathers are fathers are fathers. Their mental food is in the fathers are fathers are fathers are fathers. The fathers are fathers are fathers are fathers are fathers are fathers. The fathers are fathers are fathers are fathers are fathers are fathers. The fathers are fathers are fathers are fathers are fathers are fathers. The fathers are fathers are fathers are fathers are fathers are fathers. The fathers are fathers are fathers are fathers are fathers are fathers. The fathers are fathers are fathers are fathers are fathers are fathers. The fathers are fathers are fathers are fathers are fathers are fathers are fathers. The fathers are fathers are fathers are fathers are fathers are fathers. The fathers are fathers are fathers are fathers are fathers are fathers. The fathers are fathers are fathers are fathers are fathers are fathers. The fathers are fathers are fathers are fathers are fathers are fathers are fathers. The fathers are fathers. The fathers are fathers are fathers are fathers are fathers are fathe the solution of her learning and because she is a daughter of the "sunny south."

And these "daughters" are providing more and more furniture for book.

And these "daughters" are providing more and more furniture for book.

Their mental food is in the encyclopedic to take dinner with him the ing them, to take dinner. In the success! It though the Moffat block stumbled upon the Value and efficiency of the Red Cross organization were thoroughly tested and proved. No sooner had war been declared with:

and cruel indifference to what our own people bore; at the forgetfulness that wives were widowed and mothers left celt man at the table.

dress I never listened to in my life. moved from place to place as exigencies demanded. The greatest care was taken to prevent disorder or confusion, and the best military circumsulation. childless with us also, at the utter incapacity of understanding and heart, soul of men and women, too, whose own suffering has not taught

The life thus far given is that of the country alone. The city holds much the same type, modified by different conditions. The southern woman of society is very charming, often finely accomplished, and always with a cordial grace and courtesy, even to her own sex. They pose a little, it is true; their love of approbation is a passion; they devour compliments with the undisguised relish of a child for sugarplums, and, as with their country sisters, the mainspring of all thought in life is marriage; marriage early, and marriage often, if widowed at an early enough date to still be fascinating.

head droop forward upon the breast, as low as it will fall without forcing it. Sit quietly this way for a few minutes, freeing all the will power from the body, and a restless, drowsy feeling will comes on at night, one can simply sit up in the position described. Stiffness of any part of the body must be avoided, and it is well to bend the body for ward after lying down, rather than keep it straight, or throw it back upon the pillow. The writer suffered everal a years from sleeplessness, caused by severe pain and nervousness, and was taught the above by a physician of nough date to still be fascinating.

In short, the faults of married wom-

en are precisely the faults of uneducated and undeveloped women the world over. "To be a coquette in every movement and action is the study of three-quarters of the female population of the clobe." and if committee the committee the study of the clobe." and if committee the committee the committee the committee the clobe." and if committee the clobe is a committee the clobe.

"God Reigns and the Government Lives."

An incident that was mentioned

the superior magnetism of one would draw the vitality out of the other; and while one would awake in the morning refreshed with new energy, the other would be enervated and listless, and hardly able to drag the body around during the day. Acting upon this European theory, it is supposed that dealers in beds and bedding have secretly organized a boom in their business, and nowing how a fashion will be followed by a people they are preparing for a season of prosperity. But be this as it may, there is little doubt that the fashion of sleeping singly has its good as well as bad points, and it will be hailed with delight by those husbands whose wives are troubled with charity feet. It will also come as a sweet boon to the tired wife whose husband is a beautiful dreamer, and habitually kicks her out of bed as he yells: "I'll sell two thousand March at 61." But on the rich old husband, whose young wife is kept awake by his asthma, and who will avail herself of the new fashion for a night of un disturbed repose, it will fall with a leaden hand, and his supply of magnetism being cut off he will droop and husband is a beautiful dreamer, and

Afflicted with weaknesses peculiar to their sex should bear in mind that Leh' Dandellon Tonic taken presistently will effect a permanent cure. It contains the phosphates, iron and other tonic and food principles, the lack of which causes female troubles. A bottle will cost but \$1.00, and it is composed of the identical renedies a competent physician would prescribe in such cases.
